We follow good hygiene practices in our kitchen, but due to the presence of allergenic ingredients in some products there is a small possibility that allergen traces may be found in any item. We advise you to speak to a member of the team if you have any food allergies or intolerances. We have an allergen book available on request. Vegetarian dishes are made from ingredients that do not contain meat or fish. However, we do not have dedicated preparation or cooking areas within our kitchen for vegetarian food. Not all ingredients are shown in the dish descriptions.
